

KEEP AMERICA BEAUTIFUL

YOUTH MINI-GRANTS

Because the Mini-Grant

Program was designed to

This grant program is designed to provide environmental education, litter control and school/community beautification incentives.

Proposals are due in the Keep America Beautiful Office by March 21, 2008 at 5 p.m. Winners will be announced at the annual KAB Awards Luncheon. Projects must be implemented by May 2008 (not necessarily completed by this date). Groups may submit only one proposal per year and may be awarded all, part or none of the amount requested.

KAB Mini-Grants' Program is an anti-litter and school/community beautification program and is administered by the Meridian/Lauderdale County KAB. The program is designed to provide "seed" money and/or to enhance ongoing projects for local initiatives in environmental education. Grants will be made available to all schools and youth organizations in Lauderdale County participating in youth development education and community service. Priority will be given to grants showing hands-on involvement of youth.

KAB grants will be awarded up to \$1,000.00 for quality projects that provide environmental awareness, litter control and school/community incentives. Examples consist of:

Environmental education projects (outdoor classrooms, nature trails, butterfly gardens)

Wildlife habitat, expressive arts with environmental themes, conservation field days, held in Lauderdale County)

Environmental camps (preference will be given to projects held in Lauderdale County)

School and/or community beautification (flower and /or vegetable gardens/landscapes)

**encourage the
beautification of our
environment through**

hands on work, a maximum of \$100 within the grant will be funded for hard structures(benches, bird baths, bird feeders or other non-living components).

Please note: The cost of tools should not be included in the grant application. This item will be excluded. KAB has a community tool bank, tools are available for loan. Please contact the KAB office for more information.

Progress reports will be due by January 21, 2009. If your organization does not submit a progress report by the deadline, you will not be considered for a mini-grant during the next fiscal year. Notification for progress reports will be sent to grantees by December 3, 2008.

All projects will be judged and evaluated using the attached rubric. Special recognition for outstanding projects will be given in April.

6. Proposed budget: (If extra space is needed, please use the back of the page).

List expected expenses:

List donations and/or in-kind services: (ex: donated paint, labor, materials, publicity, etc. and estimate value.
