City of Meridian Sends Nonessential Employees Home

MERIDIAN, MS - The City of Meridian’s number one priority is the safety and health of our community. We are taking several protective measures to limit exposure to COVID-19 to our employees and citizens.

At this time only, essential travel will be approved for city employees. Limited staff will be available to provide all City services. In an effort to maintain high standards for the quality and cleanliness of our buildings, we are taking extra steps to clean and sanitize all facilities. We will continue to evaluate the current situation and take additional steps as we progress through this medical Pandemic.

Mayor Bland encourages all citizens to follow U.S. Centers for Disease Control and Prevention (www.cdc.com/coronavirus) and the Mississippi State Department of Health (www.msdh.ms.gov) Guidelines.

“We are all in this together,” he said. “We at the City will do our part, and I know I can count on the people of Meridian to do theirs.”
